

SCHOOLS AND SETTINGS - Reset and Recovery

Risk Assessment

Introduction:

This Schools' Risk Assessment document is designed to allow you to review and track your individual readiness to reopen your setting in line with COVID-19 requirements. It has been revised in line with DfE guidance published on 2 July 2020. It is split into the following sections (one per tab):

- | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none">• Social distancing practicalities• Quality of education• Safeguarding• Pupils with SEND (including medical needs)• Emotional and behaviour considerations• Hygiene and cleanliness/health and safety• Possible COVID-19 cases | <ul style="list-style-type: none">• Transition• Finance• Building work and logistics• Recruitment and staffing• Miscellaneous• Additional (left blank for you to fill in) |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Within each section some initial risks and some possible actions that could be taken to control or mitigate the risks have been pre-populated for you. However these are only **initial suggestions** and it is vital that you **tailor** this risk assessment by **amending / adding to these** as required to ensure you have captured all relevant risk information specific to your setting.

Considering existing controls / mitigations, please assess CURRENT Risk Level (1-5)		OVERALL CURRENT RISK level 1 - 25 (fills automatically)	What FURTHER actions will you take to control / mitigate the risk?	Following completion of further actions, please estimate EXPECTED risk level (1-5)		OVERALL FUTURE RISK level 1 - 25 (fills automatically)	Assigned person to complete further actions	Planned / Actual Completion date	RAG Status of Further Actions	Comments / Notes	Links to relevant guidance / documents / sources of support
				Likelihood / prevalence of risk occurring	Severity of Risk if it occurs			Likelihood / prevalence of risk occurring	Severity of Risk if it occurs						
Maintaining bubbles	Pupils and staff	Contract and spread virus and illness	Pupils in consistent bubbles, as far as possible, across the school day. Pupils encouraged to maintain social distancing within working area and across the school day, as appropriate for the age of the pupils. Measure in place to support are: - tables well spaced out; - pupils allocated different areas of the playground / field to use at break and lunch times - pupils allocated different toilet facilities to use (Reception / KS1 & KS2). - 2m distance between family groups as they enter & exit the school site. - Signage and regular verbal reminder to pupils to maintain social distancing. - Steps in place to reduce the number of people who could be asked to isolate should someone in group become ill with coronavirus (COVID-19).	2 - Low	3 - Medium	MEDIUM	Review of spacing between pupils and adults to ensure 2m distance wherever possible Review of use of working areas to ensure best use of space available for pupil bubbles	2 - Low	3 - Medium	MEDIUM	MD	Ongoing from Jan 2021	Amber	NB Risk continues to be Medium due to sharp rise in current rise in infection rate amongst wider population	http://www.stanfordschool.org/documents/covid-19/School_national_restrictions_guidance.pdf Restricting attendance during the national lockdown: schools. Guidance for all schools in England January 2021 Staying alert and social distancing after 4th July Coronavirus (COVID-19): implementing protective measures in education and childcare settings. Working Safely during Coronavirus
Numbers of people in close proximity at the beginning of the school day	Pupils, parents and staff	Contract and spread virus and illness	Signage to remind pupils and parents to adhere to 2m social distancing guidance Reduced number of pupils accessing school provision Parents reminded via newsletter to keep in family groups while dropping / collecting pupils Parents reminded via newsletter the importance of adhering to social distancing rules Staff on duty to control entry of pupils No pupils or parents allowed on the playground or the school site	2 - Low	3 - Medium	MEDIUM	Review procedures in light of any concerns raised Staff monitor adherence to social distancing guidance and speak to individuals where concerns are raised	2 - Low	3 - Medium	MEDIUM	MD	Ongoing from Jan 2021	Amber	NB Risk has remained at Medium due to increase in infection rate within the wider community	Staying alert and social distancing at
Parents congregating at the gate	Parents, pupils and staff	Contract and spread virus and illness	• Only one parent brings child / children; siblings do not accompany where possible • Staggered start time for different 'bubbles' • Parents requested via newsletter to leave school site as quickly as possible once dropped / collected their children • Duty staff control, direct & monitor pupils access • Parents reminded through regular communication and signage to socially distance • Information for parents, social media campaign via twitter, advice and guidance on website making parents aware of the rationale for this. • Parents requested to wear a face mask when dropping / collecting their child/ren	2 - Low	3 - Medium	MEDIUM	• Continue to regularly stress with parents via newsletter and online communications the government's message about social distancing. • Any reviewed expectations for drop off / pick up communicated to parents	2 - Low	3 - Medium	MEDIUM	MD	From 4 Jan 21	Amber	NB Risk has remained at Medium due to increase in infection rate within the wider community	
Numbers of children in close proximity in cloakroom facilities	Pupils	Contract and spread virus and illness	• No access to cloakroom and designated access to toilets (Reception, KS1 & KS2) • Pupils allowed to only bring designated items into school	2 - Low	2 - Low	LOW	• Staff monitor pupil access to toilet facilities limit number of pupils using at a time • Staff monitor items pupils allowed bring into school	2 - Low	2 - Low	LOW	MD	From January 2021	Green		
Numbers of children in close proximity in assemblies	Pupils and staff	Contract and spread virus and illness	Whole school assemblies cancelled Teachers deliver assemblies pupil bubbles	1 - Very low	1 - Very low	LOW	• No further actions to existing controls	1 - Very low	1 - Very low	LOW	MD	From January 2021	Green		
Lack of social distancing in classrooms	Pupils and staff	Contract and spread virus and illness	Adhere to DfE advice re: seating arrangements, and social distancing. All teachers and support staff can operate across different classes to facilitate delivery of the school timetable. Where staff need to move between bubbles, they should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults. Teachers and support staff in the school will continue to work across	2 - Low	3 - Medium	MEDIUM	Regular reminders to staff to keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults. Regular reminders to staff to wear a face covering when working closer than 2m to pupils & other staff	2 - Low	3 - Medium	MEDIUM	MD	From January 21	Amber	NB Risk has remained at Medium due to increase in infection rate within the wider community	Coronavirus (COVID-19): implement
Lack of social distancing when lining-up	Pupils and staff	Contract and spread virus and illness	Pupils line up in bubbles. Pupils socially distance from one another when forming a line, when enter or exit building or school site	2 - Low	2 - Low	LOW	• Continue to educate pupils about social distancing when lining-up • Use floor markers for younger pupils if review indicates this is required • Limit the need for lining-up	2 - Low	2 - Low	LOW	MD	From January 2021	Green		https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools#introduction
Keeping pupils separate at lunchtime	Pupils and staff	Contract and spread virus and illness	Pupils eat at the same tables allocated for work Pupils from different 'bubbles' allocated different outdoor areas to use over lunchtime period	2 - Low	2 - Low	LOW	• Social distancing guidance to be followed over lunch time period	2 - Low	2 - Low	LOW	MD	From January 2021	Green		
Lack of social distancing at breaktimes	Pupils and staff	Contract and spread virus and illness	Bubbles allocated use of different areas of outdoor space	2 - Low	2 - Low	LOW	• Staggered breaks for different bubbles if required • Provide activities to ensure social distancing (eg Daily Mile)	2 - Low	2 - Low	LOW	MD	From January 2021	Green		
Lack of social distancing - toilets	Pupils	Contract and spread virus and illness	Allocate different toilet facilities to different 'bubbles' - Reception, Y1 and KS2 Staff limit the number of pupils who use toilets at the same time e.g one boy/ one girl from each class at a time	2 - Low	2 - Low	LOW	• Staff limit the number of pupils (eg one in, one out) • Staff closely monitor use of toilets • Refer to Hygiene and cleaning requirements	2 - Low	2 - Low	LOW	MD	From January 2021	Green		
Staff safety - lack of social distancing	Staff	Contract and spread virus and illness	• One member of staff at a time to use staff room lockers • Cancel all non-essential face-to-face meetings and communicate with staff via email, where possible • Staff meetings held on line using Teams	2 - Low	2 - Low	LOW	• Review procedures in light of further Government guidelines • Regular reminders to staff re: expectations to social distance	2 - Low	3 - Medium	MEDIUM	MD	From January 2021	Amber	NB Risk has moved from Low to Medium due to increase in infection rate within the wider community

Potential for the gaps in pupils' knowledge and skills that will have developed following their extended absence from school	Pupils	Lack of progress in developing key skills	Weekly planning for home learners is differentiated and has adaptations for children with identified gaps in knowledge and skills, as required. Guidance sent to parents on supporting their child with home learning tasks e.g. use of physical resources, practical work, how to extend and make work easier for pupils, as appropriate List of online resources and websites for parents to access sent home. Alternative provision of learning tasks for individuals, as required. Pupils who attend school supporting by staff	3 - Medium	3 - Medium	MEDIUM	<ul style="list-style-type: none"> Teachers assess pupil's work as they upload tasks and amend home learning accordingly, with a focus on meeting previous / end of year expectations Teachers amend coverage and planning to better support individual pupils Teachers monitor pupils engagement in online learning during school closure and plan appropriate interventions, and additional home learning activities to target development of core skills. Use pupil premium and catch-up funding to provide disadvantaged pupils with additional resources & / or more intensive catch up support. Continue to review and target those pupils with greatest need of additional support. 	2 - Low	4 - High	MEDIUM	MD	January 2021 and ongoing	Amber	NB Risk continues to remain at Medium due to increased time majority of pupils are learning remotely	Remote education practice for schools dur
Covering the full range of subjects - staff moving from class to class, peripatetic teachers, supply staff	Pupils and staff	Contract and spread coronavirus / illness	Where possible staff and pupils in consistent 'bubbles'. Staff minimise contact with both pupils and other staff and maintain 2m distance wherever possible Teachers plan for coverage of full range of subjects for pupils engaging in both in school and home learning. Opportunity for online music lessons from music specialists as part of additional provision	2 - Low	2 - Low	LOW	Supply teachers not routinely employed but if required they will be briefed on social distancing and hygiene procedure on arrival, including expectation to minimise contact with pupils and staff, maintain 2m social distancing wherever possible & handwashing. Visiting staff provided with access to the school's weekly planning for classes	2 - Low	3 - Medium	MEDIUM	MD	January 2021 and ongoing	Amber	NB Risk has increased from Low to Medium due to the increase in coronavirus cases within the wider community	
Preparations for the changes to SRE that come into effect in September 2020	Pupils	Pupils not able to fully engage with RSE curriculum	RSE policy completed and information for staff and parents available via the school website Jigsaw programme, covering all aspects of changes to the RSE curriculum provides the basis for teaching and learning across all classes Teachers plan lessons in line with curriculum overview for subject and include these in weekly plans for in school and remote learning	2 - Low	2 - Low	LOW	<ul style="list-style-type: none"> Teachers monitor pupils engagement in remote lessons Class teacher / HT to address any concerns identified (e.g. lack of engagement in learning) Review provision to ensure relationships and health education (RHE) for primary aged pupils is being fully implemented by the start of the summer term 2021. Use additional DfE recommended resources to provide further support, as appropriate 	2 - Low	2 - Low	LOW	MD	January 2021 and ongoing	Green		Relationships education, relationships and sex education (RSE) and health education https://www.gov.uk/government/publications/relationships-education-relationships-and-sex-education-rse-and-health-education/annex-b-resources-for-relationships-education-relationships
Online or home learning may not continue for some pupils, running alongside return to school for other pupils. Plan this for contingency if an additional wave or a local outbreak of COVID necessitates school closure.	Pupils, staff and parents	Parents managing home learning and work Pupils continuing to manage home learning restrictions Teachers workload	Home learning sent, where possible, for whole week to reduce teacher's daily planning Lessons - cover a range of subjects in a day and full range of subjects over term - well sequenced so that knowledge and skills are built incrementally - provide clear explanations of content - allow teachers to gauge pupil progress - set clear expectations - adaptable so teachers can adjust pace and difficulty in response to assessments - cover time in line with Government guidance - provide a clear curriculum sequence in all subjects - provide high quality online & offline resources & use a consistent online learning platform as a vehicle to send learning tasks home, provides feedback to pupils and to set assessment tasks - incorporate a range of practical based tasks where appropriate for the age and stage of pupils; with a particular focus on reception & KS1 - Pupils have access to a range of additional resources and websites to extend their own learning - The vast majority of parents have addressed any glitches they	2 - Low	3 - Medium	MEDIUM	<ul style="list-style-type: none"> Class teachers ongoing monitoring of pupil engagement in learning tasks Parents offered paper copies of work where they are unable to access on line learning resources <p>The school will review how to continue to improve the quality of their existing offer for remote education provision. DfE guidance and resources will be reviewed as part of updating and improving remote provision.</p>	3 - Medium	3 - Medium	MEDIUM	MD	January 2021 and ongoing	Amber		Safeguarding and remote education during coronavirus (COVID-19) Coronavirus (COVID-19): online education resources information, guidance and support for parents and carers of children who are learning at home Restricting attendance during the national lockdown: schools guidance for all schools in England January 2021 Remote education practice for schools during coronavirus (COVID-19) https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/950510/School_national_restrictions_guidance.pdf
Requirement for curriculum adaptations	Pupils and staff	Pupils engagement Staff workload	Since full re-opening of school in September 2020 teachers have identified significant gaps in pupil's knowledge, as assessed against end of year expectations, and modified timetable and curriculum taught to ensure adequate coverage of key skills and knowledge within and across subjects Subject specific lessons taught combined with topic based cross-curriculum approach to learning, where appropriate to reinforce core skills. Teachers continue to be flexible in their approach to planning curriculum coverage so that the most important missed content, particularly skills and knowledge in reading, writing and maths, is covered. Daily lessons in reading, maths, English and SPAG/phonics for all pupils Curriculum adapted for individual pupils as required to support more able and SEND pupils	3 - Medium	3 - Medium	MEDIUM	Teachers monitor pupil engagement, progress and well-being and amend curriculum offer in response to identified issues and pupils needs.	3 - Medium	3 - Medium	MEDIUM	MD	Jan-21	Amber	NB Risk continues to remain at medium as impact of current national lockdown on families not yet known	Remote education practice for schools dur
Unable to address the needs of all children	Pupils and teachers	Pupils gaps in learning increased and low self-esteem Teacher workload	Teachers plan learning for their mixed age classes and provide differentiated work to cover range of pupil's abilities Teachers monitor pupil attainment, progress and well-being through completed work and regular online sessions with class Parents asked to raise concerns with the class teacher / school involvement of support services via online meetings & assessment as appropriate	2 - Low	3 - Medium	MEDIUM	Teacher's continue to monitor pupil attainment and well-being through online contact with class. New referrals to support services as appropriate Advice from external support agencies sought, as required	2 - Low	3 - Medium	MEDIUM	MD	January 2021 and ongoing	Amber	NB Risk continues to remain at medium as impact of current national lockdown on individual pupils not yet known	Get technology support for children and sc
Difficulties with remote learning	Pupils and staff	Pupils not able to access all aspects of remote learning lessons Pupils not fully engaged in remote learning opportunities. Staff workload	The majority of pupils and parents have previously engaged in remote learning and are familiar with the format this takes and the learning platform used. Information sent home to parents to support them in accessing remote learning and uploading work. Learning tasks sent home, weekly, where possible, to all pupils across the school. Regular reminders to parents to contact school if they experience issues in accessing remote learning. Hard copies of work supplied for parents, as required. Teacher's feedback regularly to individual pupils, recognise and celebrate achievement. High quality resources and websites to support pupil learning e.g. Oak Academy, Jigsaw, NCTEM, etc.	2 - Low	3 - Medium	MEDIUM	Approach and platform used to deliver remote learning reviewed and any identified adaptations made to system.	2 - Low	3 - Medium	MEDIUM	MD	January 2021 and ongoing	Amber		Coronavirus (COVID 19): online education

Early Years	Pupils	Pupils not able to fully access range of EYFS learning provision and develop core skills in prime areas of learning	Planned learning has a clear focus on the prime areas of learning including: communication and language, personal, social and emotional development (PSED) and physical development. All areas of the EY curriculum covered across a week / unit of work. Activities to develop pupil's reading, phonics, writing and maths skills sequenced across a unit of work. Pupils provided with opportunities to develop social and physical skills.	2 - Low	3 - Medium	MEDIUM	Reception teacher to continue to ensure planned activities have a clear focus on the prime areas of learning including: communication and language, personal, social and emotional development (PSED) and physical development. Provision of more differentiated / adapted activities for pupils who have identified gaps in their learning	2 - Low	3 - Medium	MEDIUM	MD	January 2021 and ongoing	Amber	Information, guidance and support for par
Key stage 1 & 2	Pupils	Pupils not able to access full range of curriculum experiences	Pupils are familiar with accessing remote learning activities and using the learning platform. High quality websites and online resources used to support learning, including Oak Academy and White Rose Hub. Teachers provide regular feedback to pupils. Teachers set activities that cover the range of curriculum subjects with a particular focus on core areas. There is a focus on developing key skills and knowledge in: phonics, reading fluency and comprehension, vocabulary, writing and maths through daily lessons and providing many and varied opportunities for pupils to read, write and engage in maths tasks e.g. story, role play, games. Progression planned across a series of lessons and within all subjects.	2 - Low	3 - Medium	MEDIUM	Through ongoing teacher assessment and a review of pupil's work any gaps in learning identified and planning amended as appropriate for class / group / individual pupil, with a particular focus on core skills and knowledge.	2 - Low	3 - Medium	MEDIUM	MD	January 2021 and ongoing	Amber	Warwickshire ICT development service
Provision of specific subjects where the risk of passing on any infection could be higher - music	Pupils and staff	Contract and spread coronavirus / illness. Pupils have reduced access to music curriculum	Pupils provided with online music lessons as part of planned curriculum, which include listening and appraising, engaging in musical activities and performance in school sessions organised to reduce transmission through organisation of pupils - no face to face contact & pupils stand back to back or side by side when chanting and singing. Pupils sing in small groups with a maximum of 15 per group. No woodwind instruments used in lessons. Remote perapattetic music lessons for pupils who play an instrument	2 - Low	2 - Low	LOW	Follow any further more detailed DfE guidance as published.	2 - Low	2 - Low	LOW	MD	January 2021 and ongoing	Green	
Provision of specific subjects where the risk of passing on any infection could be higher - sport	Pupils and staff	Contract and spread coronavirus through close contact	The following control measures will be put in place: pupils kept in consistent groups, sports equipment thoroughly cleaned between each use by different individuals and groups, contact sports avoided. Outdoor sports will be prioritized where possible in even indoor space used maximum distancing between pupils will be adhered to, with some pupils assessing their peers' performance to reduce numbers of children engaging in physical activity at any one time. Attention to cleaning and hygiene will be a priority. Lessons focus heavily on individual pupils working independently, where possible.	2 - Low	2 - Low	LOW	Update in line with any new published guidance and advice	2 - Low	2 - Low	LOW	MD	January 2021 and ongoing	Green	
Requirement for catch up	Pupils and staff	Staff workload	Pupils who require catch-up provision in particular subjects have been identified by teachers. Additional resources have been purchased to support individual and groups of pupils to address gaps in their learning. Remote learning tasks adapted by teachers for identified pupils and	2 - Low	3 - Medium	MEDIUM	Ongoing review of resources available on the market. School continues to receive catch up funding from Government. Appropriate resources purchased to support individuals / groups of pupils to meet identified gaps and needs.	2 - Low	3 - Medium	MEDIUM	MD	September 2020 and ongoing	Amber	
Additional pressure on staff due to Ofsted inspections	Staff	Staff well-being and workload	Routine Ofsted inspection visits currently suspended for Spring term 2021	2 - Low	3 - Medium	MEDIUM	For state-funded schools, the intention is that routine, graded Ofsted inspections will not be reintroduced until the summer term. During the spring term, inspectors will conduct monitoring inspections in schools most in need of support - inadequate schools and some schools that require improvement. These monitoring inspections will not be graded, and will focus on matters that are particularly relevant such as curriculum and teaching (including remote education), and attendance, particularly of vulnerable pupils. Ofsted maintains the power to inspect a school in response to any significant concerns, including those relating to safeguarding and remote education.	2 - Low	3 - Medium	MEDIUM	MD	January 2021 and ongoing	Amber	Ofsted: coronavirus (COVID-19) rolling up
Lack of statutory assessments	Staff and pupils	Pupils not meeting end of year expectations. Teacher assessments validated	The expectation that pupils will sit national assessment test has been withdrawn (Y1 phonics, Y4 multiplication test, KS2 and KS2 SATS). Teachers participate in moderation activities within school and at consortium level and LA to validate teacher judgements over the spring and summer terms.	2 - Low	2 - Low	LOW	Government guidelines and DfE guidance 7 January 2021 have addressed this risk	2 - Low	2 - Low	LOW	MD	07/01/2021	Green	
Lack of accountability	Staff	Staff well-being	Performance tables have been suspended for the academic year 2019 to 2020. The expectation that pupils will sit national assessment test has been withdrawn (Y1 phonics, Y4 multiplication test, KS1 and KS2 SATS). Teachers will engage in moderation tasks at school, consortium and LA level. End of year data reviewed by Governing Body	2 - Low	2 - Low	LOW	Performance tables are suspended for the 2019 to 2020 academic year and, no school or college will be judged on data based on exams and assessments from 2020. Until the new data release is available, all those working with schools, including Ofsted and DfE regional teams, should refer to the 2019 data. The Department for Education will continue to use 2019 data as a starting point for any conversation about support for schools with Ofsted judgements below good. More information is set out at coronavirus (COVID-19): school and college accountability.	2 - Low	2 - Low	LOW	MD	Jan-21	Green	Coronavirus (COVID-19): school and college
END OF TABLE - DO NOT ENTER INFO BELOW HERE														

3 - Safeguarding Specifics to be aware of: CSE, county lines, contextual issues, impact of domestic violence, strains on families that could lead to an increase in levels of abuse, neglect due to financial constraints (particularly for disadvantaged pupils and low-income families)

Some pupils may have experienced a bereavement in their family during the school's closure (possibly in relation to COVID-19)	Pupils	SEMH issues as a result of bereavement	One member of staff has received bereavement training and is available to provide advice. PS newsletters sent out regularly to parents with information on range of services they can access, including bereavement. School has contacts with range of support services. Requests sent to parents via newsletter to contact the school if circumstances within the family / wider family change. Class teachers and Headteacher in contact with pupils via remote meetings, class dojo and phone.	2 - Low	4 - High	MEDIUM	<ul style="list-style-type: none"> Regular requests via newsletter to remind parents to share significant information about their child Provide in-school support and a named person to support identified pupil(s), as required. Access specialist support for pupil(s) and if need be their family e.g. Guy's gift, as required 	2 - Low	4 - High	MEDIUM	PC/MD	From January 2021 and ongoing	Amber		WCC Counselling and bereavement
Pupils with social and emotional difficulties may struggle with managing their behaviour when returning to school and the routines of school life (particularly pupils who attend PRUs)	Pupils and staff	Physical assault Self-harming Aggressive outbursts	Behaviour policy supports staff in dealing with incidents in a consistent way. Restorative approach advised to deal with incidents. Staff training in use of 'emotion coaching'	2 - Low	4 - High	MEDIUM	<ul style="list-style-type: none"> Discuss any needs / support required with parents prior to pupil's return. When pupils return to school, close monitoring of identified pupils use of relevant strategies to support individuals to manage their emotions e.g. worry box; identified adult to talk to use consistent and agreed approach to dealing with behaviour, personalise approach for identified pupils as required e.g. breaks in learning set clear and consistent routines and expectations Individuals taught in small groups with a Teacher / TA, where possible Monitor attendance and address non-attendance quickly with parents. Non-standard curriculum delivered to support children's well-being through PSHE sessions. Support from external agencies e.g. COMPASS, as required Risk assessment for identified pupils 	2 - Low	4 - High	MEDIUM	MD	January 2021 and ongoing	Amber	NB Risk continues to remain at medium as impact of current national lockdown on individual pupils not yet known	Warwickshire County Council memo
Some pupils may be more vulnerable to exclusion. Your behaviour policy may need to be reviewed to reflect the additional support needs of your pupils?	Pupils	SEMH issues in run up to and following exclusion	Risk assessment in place pupils vulnerable to exclusion <ul style="list-style-type: none"> Phased return during period attendance non- mandatory. Additional adult in class to support teacher and pupil Review behaviour policy and amend to reflect current situation 	2 - Low	3 - Medium	MEDIUM	<ul style="list-style-type: none"> A phased return to meet child's needs and/ or amended curriculum facilitated, as required Requirement for additional support reviewed. The disciplinary powers, including exclusion, remain in place. Permanent exclusion will only be used as a last resort. Where a child with a social worker is at risk of exclusion, their social worker will be informed and involved in relevant conversations. Disciplinary exclusion of a pupil, even for short periods of time, will be consistent with the relevant legislation. 	2 - Low	3 - Medium	MEDIUM	MD	From September 2020 and ongoing	Amber		
EY children may struggle with the return to routine and full-time education (almost like a second September start)	Pupils	Pupil and parent anxiety about return to school and separation	<ul style="list-style-type: none"> Strategies to support parents prepare their child for return to school in place: walk / drive them to school and back home/practise putting their uniform on; structure the day at home to begin to mirror the day at school; and get children excited about seeing their friends again. 30% of Reception cohort continuing to attend some school sessions during lockdown Pupils have regular opportunities to connect with class teacher via remote meetings 	2 - Low	3 - Medium	MEDIUM	<ul style="list-style-type: none"> Remote meeting with pupils and class teacher prior to re-opening Information sent out to parents and pupils prior to re-opening outlining any changes to procedure and welcoming children back into school Regular home/ school communication with parents to support transition back into school 	2 - Low	3 - Medium	MEDIUM	MD	From January 2021 and ongoing	Amber		
Some pupils will not have had any social contact with anyone out of their immediate family (some may not even have had the use of social media) and hence seeing their friends may be emotionally overwhelming	Pupils	SEMH issues; anxiety; difficulty with friendships	Regular opportunities for pupils to engage in remote meetings with their class teacher & peers over a week <ul style="list-style-type: none"> 25% of pupils attending school and engaging with experienced staff who know individuals well and can offer support. Comprehensive PSHE curriculum in place to support pupils to deal with their emotions / well-being 	2 - Low	2 - Low	LOW	<ul style="list-style-type: none"> Social 'catch up' time planned for pupils and their friends, during initial weeks following return to school so that they are emotionally prepared to learn All classes to focus on well-being and PSHE aspects of the curriculum during initial re-opening to provide appropriate support for pupils with well-being issues. 	2 - Low	3 - Medium	MEDIUM	MD	From full re-opening 2021	Amber	NB Risk has increased from Low to Medium due to the increased period of time pupils have been out of school since March 2020.	
Some parents may be reluctant to send their children back to school because of the risk of infection and bringing the virus back into the family home	Pupils and parents	SEMH issues linked to continued isolation and lack of social contact beyond family Parental anxiety	<ul style="list-style-type: none"> Current risk assessment available for parents via school website. Parents contacted regularly over lockdown to monitor anxieties Parents requested to keep school informed of change in circumstances and/or concerns they have. 	2 - Low	3 - Medium	MEDIUM	<ul style="list-style-type: none"> Information letter sent to parents and updated risk assessment available on website outlining measures in place to protect pupils prior to re-opening. Contact individual parents to reassure them about the social, emotional and academic benefits associated with their child being back in school Rapid response from HV to address non- attendance and work with parents and support families to get their child back into school 	2 - Low	3 - Medium	MEDIUM	MD	From re-opening	Amber	NB Risk has remained at Medium as length of time pupils not in school is unknown, as is the impact this will make.	National guidance Local - leaflet for parents with consistent messages on social distancing.

Support for emotional wellbeing	Pupils	Anxiety, changes to behaviour, anger issues as a result of poor emotional well being	Pupils are well known to staff and have good relationships and the vast majority of have a trusted adult they can talk to. Protective behaviours sessions delivered as part of the curriculum and pupils are aware of the 5 people they can turn to for support. The school has links to a range of professional organisations they can access to provide support for individual pupils. Families are directed to the Family Information Support service via the school newsletter	2 - Low	2 - Low	LOW	Well-being review of all pupils to be completed during first half term after re-opening to identify any children experiencing issues. Regular opportunities for pupils to share worries and concerns e.g. class worry box; time to talk to a trusted adult; circle time and PSHE curriculum. Delivery of Signa recovery package with a particular focus on supporting pupils to rebuild friendships and social engagement; address and equip pupils to respond to issues linked to coronavirus (COVID-19); support pupils with approaches to improving their physical and mental wellbeing. Focused support from external agencies for individual pupils as required For existing and newly identified vulnerable groups who need additional support teachers to access Mindfulness platform for professionals, which includes a coronavirus (COVID-19) staff resilience hub with materials on peer support, stress, fear and trauma and bereavement. School to work with school nursing services (Compass) to support the health and wellbeing of pupils; range of support includes: support for resilience, mental health and wellbeing including anxiety, bereavement and sleep issues; support for pupils with additional and complex health needs; support for vulnerable children and keeping children safe. Schools & school nurses to work together to ensure delivery of the healthy child programme, which includes immunisation, identifying health and wellbeing needs.	2 - Low	3 - Medium	MEDIUM	PC/ MD	On going from re-opening	Amber	NB Risk has increased from Low to Medium due to increased period of time pupils have been out of school since March 2020, and the increase in pupil numbers returning to school following end of national lockdown.

				Likelihood / prevalence of risk occurring	Severity of Risk if it occurs			Likelihood / prevalence of risk occurring	Severity of Risk if it occurs						
Contracting Coronavirus (COVID-19) from touching surfaces and spreading the virus through hand to mouth contact.	Staff and pupils	Contract virus / illness / death	Staff apply anti-bacterial gel on arrival, and follow regular handwashing routines during the day Anti-bacterial hand spray available throughout the school for individuals to use as required Pupils apply anti-bacterial hand gel as they enter the building at the start of the day and exit the building at the end of the day Regular hand washing opportunities (20 seconds) timetabled into daily routines. Pupils asked to use paper towel to turn off taps when handwashing.	2 - Low	3 - Medium	MEDIUM	Adhere to updated guidance on hygiene as published Monitor supplies of anti-bacterial hand gel, soap and paper towels to ensure adequate supplies available.	2 - Low	3 - Medium	MEDIUM	Class teachers JT	Ongoing from January 2021	Amber	NB Risk remains at Medium due to Government information on more infectious strain of COVID19	National guidance Local - supplies of hand gel
Contracting Coronavirus (COVID-19) through pupils sneezing or coughing and spreading germs/bacteria, especially younger pupils/children	Staff and Pupils	Contract virus / illness / death	Handwashing as above. Tissues available in all classes Pupils encouraged to catch sneeze & cough with hand or sleeve Pupils directed to dispose of tissues in a lidded bins provided and wash hands for 20 seconds	2 - Low	3 - Medium	MEDIUM	Continue to educate pupils about the need to cough/sneeze into a tissue or their elbow.	2 - Low	3 - Medium	MEDIUM	Class teachers	Ongoing from January 2021	Amber	NB Risk remains at Medium due to Government information on more infectious strain of COVID19	National guidance Local - consistent messages, frequent reminders through social media
Contracting Coronavirus (COVID-19) from touching surfaces and spreading the virus through hand to mouth contact.	Staff and pupils	Contract virus / illness / death	School cleaned daily by cleaner using appropriate products to disinfect surfaces Cleaner using new cleaning rota in line with guidance normally linked to 'deep cleans' as part of their daily procedures ; with a specific focus on door handles, toilets, light switches and flat surfaces. Staff clean IT equipment / keyboards with anti-bacterial wipes after use Cleaner provided with range of PPE Soft furnishings removed from classes Cleaning products ordered prior to full reopening and replenished as required	2 - Low	3 - Medium	MEDIUM	Continued enhanced cleaning regime , including cleaning frequently touched surfaces regularly using standard products, such as detergents and bleach Cleaning schedule that ensures cleaning is generally enhanced and includes more frequent cleaning of rooms / shared areas that are used by different groups e.g. hall; frequently touched surfaces being cleaned more often than normal; toilets cleaned regularly and pupils strongly encouraged to clean their hands thoroughly after using the toilet. Areas shared by groups of pupils cleaned between use e.g. library tables for intervention groups; dining hall tables between sittings. Key points set out in revised guidance from Public Health England for cleaning non-healthcare settings (summer 2020) advise on general cleaning required in addition to the current advice on COVID-19: cleaning of non-healthcare settings guidance reviewed and appropriate measures introduced. Cleaning regime updated in line with most recently published guidance	2 - Low	3 - Medium	MEDIUM	MD	Ongoing from January 2021	Amber	NB Risk remains at Medium due to Government information on more infectious strain of COVID19	National guidance Local - supplies of wipes, consistent messages to cleaners and caretakers.
A shortage of cleaners due to self-isolation or illness.	Pupils and staff	Contract virus / illness / death	HT discussed new cleaning regime and use of PPE with cleaner Working pattern outside of core school hours agreed and in place to mitigate risk Risk assessment in place	2 - Low	4 - High	MEDIUM	Research use of supply cleaners and traded services in event of staff absence	2 - Low	4 - High	MEDIUM	MD	Ongoing from January 2021	Amber		National guidance Local H&S guidance
Contracting Coronavirus (COVID-19) from touching surfaces and spreading the virus through hand to mouth contact - therefore limit the 'surfaces' that are shared between home and school to reduce the spread of any infection.	Pupils and staff	Contract virus / illness / death	Pupils only essential items into school i.e. coat, hat, lunch. Items pupils allowed to bring into school communicated to parents Pupils come to school wearing PE kit on designated PE days Parents strongly encouraged to order packed lunch through school caterer Parents requested to use disposable bags for home prepared packed lunch Pupils provided with range of personal classroom resources Resources used cleaned / left untouched for appropriate period of time (48 Hours) Correspondence out of school to be uploaded to the website or via email and correspondence into school to come via a phone call or e-mail, wherever possible All monetary transactions to be done via bank transfer whenever possible Hard copies of information to be 'quarantined' when comes into / goes out of school Personal bags allowed for staff kept in individual lockers	2 - Low	3 - Medium	MEDIUM	Update procedures in line with most recent guidance Update information to parents and pupils prior to full re-opening of school	2 - Low	3 - Medium	MEDIUM	MD	Ongoing from January 2021	Amber	NB Risk remains at Medium due to Government information on more infectious strain of COVID19	COVID-19: cleaning of non-healthcare
Contamination from face coverings	Pupils and staff	Contract virus / illness / death	Pupils/ staff required to remove any face coverings they have worn to travel to school on arrival. Pupils/ staff must apply anti-bacterial hand gel and not touch their face as remove mask. Pupils / staff must dispose of temporary face coverings in a covered (pedal bin) and wash hands for 20 seconds. Reusable face coverings should be placed in a plastic bag - provided by pupil/ staff for this purpose- then take the bag home with them at the end of the day. Pupils/ staff wash their hands for 20 seconds before settling in classroom.	2 - Low	3 - Medium	MEDIUM	Updated procedures and processes communicated to staff and pupils for removing face coverings prior to re-opening and in line with latest Government guidance	2 - Low	3 - Medium	MEDIUM	MD	Ongoing from January 2021	Green	NB Risk remains at Medium due to Government information on more infectious strain of COVID19

This team will also contact the schools directly if they become aware that someone who has tested positive for coronavirus (COVID-19) attended the school - as identified by NHS Test and Trace. The health protection team will carry out a rapid risk assessment to confirm who has been in close contact with the person during the period that they were infectious, and ensure they are asked to self-isolate work with the school in this situation to guide them through the actions they need to take provide definitive advice on who must be sent home. Based on the advice from the health protection team, the school will send home those people who have been in close contact with the person who has tested positive, advising them to self-isolate for 10 days since they were last in close contact with that person when they were infectious. There is specific guidance for definition of close contact. The school will keep a record of pupils and staff in each class group, and any close contacts that takes places between children and staff in different groups. As part of the system of control adults who move between groups should maintain 2 metre social distancing wherever possible e.g. staff who work across 2 groups. A letter based on a template and advice from the health protection team, will be sent to parents and staff if needed. The names and details of people with coronavirus (COVID-19) will not be shared unless essential to protect others. Household members of those contacts who are sent home do not need to self-isolate themselves unless the child or staff member who is self-isolating subsequently develops symptoms. If someone in a group that has been asked to self-isolate develops symptoms themselves within their 10-day isolation period they should follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection'. They should get a test, and: if the test delivers a negative result, they must remain in isolation for the remainder of the 10-day isolation period. This is because they could still 	2 - Low	3 - Medium	MEDIUM	MD	Ongoing from September 2020	Amber	https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak	
Risk of multiple suspected cases or increased absence	Pupils, staff and parents	Staffing shortages impact on quality of education	<ul style="list-style-type: none"> Reduced number of pupils attending i.e. vulnerable pupils and children of critical workers. Social distancing guidance of 2m between adults Social distancing of 2m, where possible, when working with pupils Staff wearing face coverings in school building. 	2 - Low	3 - Medium	MEDIUM	<ul style="list-style-type: none"> Two or more confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus (COVID-19) is suspected, may constitute an outbreak, and the school will work with their local health protection team and take advice on any additional action that is required. The health protection team may recommend that a larger number of other pupils self-isolate at home as a precautionary measure e.g. the whole groups. As the school is implementing controls from this list, addressing the risks identified and working toward reducing transmission risks, then whole school closure will only be considered on the advice of health protection teams. 	2 - Low	3 - Medium	MEDIUM	MD	Ongoing from January 2021	Amber		
An outbreak of Coronavirus occurs.	Pupils, staff and parents	Staffing shortages Pupil absence	<ul style="list-style-type: none"> Low occurrence of virus within the school population Hand washing and cleaning procedures in place Reduced numbers of pupils attending and robust social distancing measures have minimised risk of transferring virus. Adherence to published guidance to self-isolate for required period of time and testing have also reduced risk. 	2 - Low	2 - Low	LOW	<ul style="list-style-type: none"> The school will follow Public Health England guidance and support. In consultation with the local Director of Public Health, where an outbreak in a school is confirmed, a mobile testing unit may be dispatched to test others who may have been in contact with the person who has tested positive. Testing will first focus on the person's class, followed by their key stage, then the whole school if necessary, in line with routine public health outbreak control practice. 	2 - Low	3 - Medium	MEDIUM	MD	Ongoing from September 2020	Amber	NB Risk has increased from Low to Medium due to the increase in number of cases nationally and within the local community	
Risk of an outbreak in local area	Pupils, staff and parents	Increased risk of contracting COVID-19 and illness / death	<ul style="list-style-type: none"> Low transmission rate and occurrence of virus within the local area has minimised the risk of a local outbreak. Parents provided with information on COVID symptoms so they can be vigilant in assessing if their child is able to attend school 	2 - Low	2 - Low	LOW	<ul style="list-style-type: none"> If the local area sees a spike in infection rates that results in localised community spread, the appropriate authorities will decide which measures to implement to help contain the spread. The Department for Education will be involved in decisions at a local and national level affecting a geographical area, and will support appropriate authorities and individual settings to follow the health advice. As above, follow local Public Health England guidance. In the event of a local outbreak, the PHE health protection team or local authority may advise a school or number of schools to close temporarily to help control transmission. The schools has a contingency plan for this eventuality; this is to provide remote education for all pupils, including children of critical workers and vulnerable pupils. 	2 - Low	3 - Medium	MEDIUM	MD	Ongoing from January 2022	Amber	NB Risk has increased from Low to Medium due to the increase in number of cases nationally and new COVID variant.

Risk to staff who are clinically vulnerable or previously shielding	Staff	Contract virus / illness / death	No staff currently categorised as clinically vulnerable; or have previously been shielding	1 - Very low	1 - Very low	LOW	Individuals who were considered to be clinically extremely vulnerable are now advised so shield. Advice for those who are extremely clinically vulnerable can be found in the guidance on shielding and protecting people who are clinically extremely vulnerable from COVID-19 School leaders will be flexible and enable staff to work remotely where possible or in roles in school where it is possible to maintain social distancing. People who live with those who are clinically extremely vulnerable or clinically vulnerable can attend the workplace. As a general principle, pregnant women are in the 'clinically vulnerable' category and are advised to follow the relevant guidance available for clinically-vulnerable people.	1 - Very low	2 - Low	LOW	MD	Ongoing from Jan 2021	Green		
Increased risk to staff with significant risk factors - such as asthma, diabetes, BAME community member	Staff	Contract and spread virus and illness	PPE provided. Risk assessment in place On-going review of risk assessment to identify any further steps that need to be taken to mitigate risk. Member of staff working hours are outside of core school hours. Individual risk assessments and an equality impact assessment carried out.	2 - Low	2 - Low	LOW	If any further members of staff develop significant risk factors and are concerned, they should discuss this and their concerns with the HT to explore the measures the school can put in place to reduce risks. As far as practically possible the school will accommodate additional measures where appropriate. People who live with those who have comparatively increased risk from coronavirus (COVID-19) can attend the workplace.	2 - Low	2 - Low	LOW	MD	Ongoing from Jan 2021	Green		
Risk to staff mental health and wellbeing	Staff	Poor mental health and well-being	Mental health and well-being policy / toolkit in place Two members of staff trained as mental first aiders Mental health and well-being has been a focus within CPD and staff training over last 12 months The Department for Education is providing additional support for both pupil and staff wellbeing in the current situation. Information about the extra mental health support for pupils and teachers is available. The Education Support Partnership provides a free helpline for school staff and targeted support for mental health and wellbeing	2 - Low	3 - Medium	MEDIUM	All employers have a duty of care to their employees, and this extends to their mental health. Health and well-being of staff will continue to be monitored by HT & AHT (lead mental first aider) as some staff may be particularly anxious about second national lockdown and partial closure of school.	2 - Low	3 - Medium	MEDIUM	MD PC	Ongoing from Jan 2021	Amber		https://www.educationsupport.org.uk/ https://www.gov.uk/government/news/extra-mental-health-support-for-pupils-and-teachers
Changes in staff deployment - teachers and teaching assistants	Staff	Well-being / anxiety	There are changes to staff deployment due to second national lockdown. All staff will be working reduced hours on site. Staff deployment changes to ensure appropriate support is available for pupils with SEND; using existing skill set within the staff team to provide support.	2 - Low	2 - Low	LOW	HT & AHT to monitor new system and deployment of staff. Staff asked for feedback on regular basis and encouraged to discuss any concerns with SLT	2 - Low	3 - Medium	MEDIUM	MD	From Jan 2021	Amber	NB Risk has increased from Low to Medium due to the new staff redeployed in different roles and national lockdown situation.	https://www.gov.uk/guidance/school-workload-reduction-toolkit https://www.gov.uk/government/collections/case-studies-remote-education-practice-for-schools-during-coronavirus-covid-19
Risk of contamination from supply and temporary staff	Staff and pupils	Well-being / Anxiety Spread virus / illness	No supply or temporary staff currently employed	1 - Very low	1 - Very low	LOW	Supply staff and other temporary workers can move between schools in the event of staff absence. In order to minimise the number of visitors to the school the same supply staff will be requested. Supply and peripatetic staff will be minimal, as far as possible, and the number of visitors to the school will be considered and reviewed. Where it is necessary to use supply staff they will be expected to comply with the school's arrangements for managing and minimising risk, including taking particular care to maintain distance from other staff and pupils.	2 - Low	2 - Low	LOW	MD	Ongoing from Jan 2021	Amber		
ITT trainees			Not applicable				Schools should consider taking on trainees who could: -take responsibility, with the usual mentor oversight, for small groups of pupils across or within years, adapting resources for such groups, creating online learning materials, re-planning sequences of lessons or delivering catch-up lessons -be engaged in wider professional activity, for instance tackling pupil, family and school needs by learning about, identifying and addressing challenges such as vulnerability, mental health problems or safeguarding issues -develop or engage in working groups to share best practice around resilience, commitment and team-working work in pairs or groups to co-plan, co-teach and co-assess lessons with their mentors or other trainees. Paired and group placements, where these are possible, benefits trainees, mentors and teaching staff, promoting a greater sense of team collaboration, ongoing professional learning and reductions in workload								
Annual leave			Not applicable				Many staff will want to take a holiday over the summer period, which may involve travelling abroad. The government has set a requirement for people returning from some countries to quarantine for 14 days on their return. The latest guidance on quarantine can be accessed at coronavirus (COVID-19): how to self-isolate when you travel to the UK. However, staff will be expected to return to work in September. The LGA, NAHT and ASCL have produced joint guidance on quarantine for school staff.								https://www.gov.uk/government/publications/coronavirus-covid-19-how-to-self-isolate-when-you-travel-to-the-uk/coronavirus-covid-19-how-to-self-isolate-when-you-travel-to-the-uk https://www.local.gov.uk/sites/default/files/documents/joint%20schools%20guidance%20current%20rules%20on%20quarantine%20and%20self%20isolation%20with%20regards%20to%20hospital%20admission%2019%20June.pdf

Risk of contamination from volunteers	Pupils and staff	Contract and spread virus and illness	No volunteers currently working in school	1 - Very low	1 - Very low	LOW	Volunteers only used in emergency situation to ensure provision for vulnerable pupils and keyworker children remains open. Volunteers in school kept to a minimum and do not mix across class groups, wherever possible. Volunteers briefed about school procedures before coming on site, and	2 - Low	3 - Medium	MEDIUM	MD	From Jan 2021	Amber	NB Risk has increased from Low to Medium due to the potential for a requirement for volunteers.
